

Raluca PARVULESCU

Ph.D. in Economics

Associate Professor, Economics

r.parvulescu@ieseg.fr

EDUCATION

2009 Ph.D. in Economics, University of Lille 1, France

RESEARCH INTERESTS

Economics

COURSES TAUGHT

- lbe research methodology, Grande ecole (master cycle)
- Industrial economics and corporate strategy, Grande ecole (bachelor cycle)
- Tools for microeconomics analysis, Grande ecole (bachelor cycle)

INTELLECTUAL CONTRIBUTIONS

Papers in refereed journals

Published

Boussemart J.-P., Parvulescu R., Diakit  D., (2023), Performance of Water Utilities Evaluated from Different Stakeholders Perspectives: An Application to the Ivorian Sector, *Journal of Productivity Analysis*, 60(1), pp. 87-105

Ayouba K., Boussemart J.-P., Lefer H.-B., Leleu H., Parvulescu R., (2022), An indirect, Luenberger approach to price performance, *International Journal of Production Economics*, 244(2022), pp. 108352

Boussemart J.-P., Leleu H., Parvulescu R., (2022), Value-based performance and its decomposition into direct price and quantity effects, *European Journal of Operational Research*, 303(1), pp. 298-311

Boussemart J. -P., Parvulescu R., (2021), Agriculture productivity gains and their distribution for the main EU members, *Revue d' conomie Politique*, 131(1), pp. 137-172

Ayouba K., Boussemart J.-P., Lefer H.-B., Leleu H., Parvulescu R., (2019), A measure of price advantage and its decomposition into output- and input-specific effects, *European Journal of Operational Research*, 276(2), pp. 688-698

Boussemart J.-P., Lefer H.-B., Leleu H., Parvulescu R., (2019), Effects of direct payments on technical catching-up in a selection of French farms, *European Review of Agricultural Economics*, 46(2), pp. 215-235

Boussemart J.-P., Leleu H., Parvulescu R., Shitikova K., (2019), Measuring the effects of price environment : An application to U.S. industries, *Revue d' conomie Politique*, 129(1), pp. 79-104

Nessah R., Parvulescu R., (2017), On the Existence of Pareto Efficient Nash Equilibria in Discontinuous Games, *International Game Theory Review*, 19(3), pp. 1750014-1-13

Parvulescu R., Vaneecloo N., (2014), Concurrence et expérimentations de marché, un débat clos? un état de lieux pour un nouveau programme de recherche, *Revue d'Economie Politique*, 124(3), pp. 317-360

Forthcoming

Boussemart J.-P., Briec W., Parvulescu R., Ravelojaona P., (2024), Characterization of production sets through individual returns-to-scale: A non parametric specification and an illustration with the U.S industries, *International Journal of Production Economics*, 278(109433), pp. N/A

Communications in refereed conferences

International

Boussemart J. -P., Leleu H., Parvulescu R., (2021), *Value efficiency and its decomposition into direct price and quantity effects* Journées de microéconomie appliquées, Annecy (en ligne), France

Ayoub K., Boussemart J.-P., Lefer H.-B., Leleu H., Parvulescu R., (2017), *Are my prices better than my neighbours'? Beyond allocative efficiency, a measure of price advantages* XV EAAE Congress, Parma, Italy

Boussemart J.-P., Leleu H., Parvulescu R., Shitikova K., (2017), *Emphasizing price effects in U.S. industries* European Workshop on Efficiency and Productivity Analysis, London, United Kingdom

Parvulescu R., Nessah R., (2015), *Characterization of pure Nash equilibria with price-setting firms and production in advance* OLIGO 2015 Workshop, Madrid, Spain

National

Parvulescu R., Boussemart J.-P., Kahindo S., (2023), *L'impact de l'inflation sur la distribution des gains de productivité de l'agriculture française* 17èmes journées de recherche en sciences sociales INRAE, SFER, CIRAD, Paris-Saclay, France

Ayoub K., Boussemart J.-P., Lefer H.-B., Leleu H., Parvulescu R., (2017), *Are my prices better than my neighbours'? Beyond allocative efficiency, a measure of price advantages* Journées de Microéconomie appliquée, Le Mans, France

Parvulescu R., Boussemart J.-P., Leleu H., Lefer H.-B., (2016), *Effects of direct payments on technical catching-up and structural convergence processes in a selection of French farms* 33èmes Journées de Microéconomie Appliquée à Besançon , Besançon, France

Parvulescu R., Boussemart J.-P., Leleu H., Lefer H., (2015), *Effects of direct payments on technical catching-up and structural convergence processes in a selection of French farms* 9èmes Journées de Recherches en Sciences Sociales, Nancy, France

Other conference and seminar presentations

National

Boussemart J. P., Maé Guinet M., KAHINDO S., Munier-Jolain N., Parvulescu R., (2024), *Balancing Profitability, Protein production, and Pesticide reduction: what are the levers for action for French arable farms?* 52ème congrès du Groupe Français de Recherches sur les Pesticides, Lyon, France

Boussemart J.-P., Maé Guinet M., KAHINDO S., Munier-Jolain N., Parvulescu R., (2024), *Balancing Profitability, Protein production, and Pesticide reduction: what are the levers for action for French arable farms?* 18th Congress of the European Society for Agronomy (ESA), Rennes, France

Boussemart J.-P., Maé Guinet M., KAHINDO S., Munier-Jolain N., Parvulescu R., (2024), *Balancing Profitability, Protein production, and Pesticide reduction: what are the levers for action for French arable farms?* 18th European Workshop on Efficiency and Productivity Analysis (EWEPA), Faro, Portugal

Boussemart J.-P., Maé Guinet M., KAHINDO S., Munier-Jolain N., Parvulescu R., (2024), *Balancing Profitability, Protein production, and Pesticide reduction: what are the levers for action for French arable farms?* 60e colloque de L'Association de Science Régionale de Langue Française (ASRDLF), Strasbourg, France

Boussemart J.-P., Maé Guinet M., KAHINDO S., Nicolas N., Parvulescu R., (2024), *Balancing Profitability, Protein production, and Pesticide reduction: what are the levers for action for French arable farms?* Journées de Microéconomie Appliquée (JMA), Lille, France

Case studies

Parvulescu R., Drapier C., (2018), *Airbnb: between consensual sharing and collateral effects*, *The Case Centre*, case study 218-0014-1 , teaching note 218-0014-8

Parvulescu R., Drapier C., (2018), *Electric cars development: a genuine sustainable solution for travelling?*, *The Case Centre*, case study 218-0039-1, teaching note 218-0039-8 , 218-0039-1

Parvulescu R., Drapier C., (2017), *"Health" marketing and nutrition labelling: a flavour of suspicion*, *The Case Centre*, case study 217-0012-1, teaching note 217-0012-8, teaching note supplement F217-0012-1

Drapier C., Parvulescu R., (2017), *Netflix, irresistible offers...*, *The Case Centre*, case study 217-0021-1 , teaching note 217-0021-8

Drapier C., Parvulescu R., (2016), *The Trottin flour-mill SA: a story of family tradition under turmoil*, *The Case Centre*, case study 216-0107-1 , teaching note 216-0107-8

Parvulescu R., Drapier C., Jaume O., (2015), *A strategic geographical implantation: audacity vs security*, *Case Centre*, case study 215-056-1, teaching note 215-056-8, teaching note supplement F215-056-8

Working papers

Boussemart J. -P., Leleu H., Parvulescu R., (2021), *Value efficiency and its decomposition into direct price and quantity effects*

Boussemart J. -P., Parvulescu R., (2019), *Agriculture productivity gains and their distribution for the main EU members*, IESEG Working Paper Series 2019-EQM-07

Parvulescu R., Vaneecloo N., (2012), *Concurrence et expérimentations de marché, un débat clos? Un état des lieux pour un nouveau programme de recherche*, IESEG Working Paper Series 2012-ECO-14, LEM Working Paper 2012-12, IESEG School of management/LEM

Other research

Published

2012: Parvulescu R. - "Concurrence sur un marché décentralisé et rationalité des agents - Une étude basée sur l'approche analytique, expérimentale et évolutionnaire des comportements des firmes" - , *Editions Universitaires Européennes*, Sarrebruck

EDITORIAL ACTIVITY

Reviewer in an academic journal

2016 Revue d'économie politique, France

RESEARCH ACTIVITIES

COMMITTEE CHAIR

Co-Organizer of a workshop

2016 - 2016 Organisation of the JRSS, IÉSEG School of Management, France

Course Coordinator
